## **Roadmap**

1. **Log Cabin: Foundation:** In the beginning, there was a cabin. This cabin is our think tank where we're constructing the mighty Flufficorn. The birth of the 1,000,000,000,000,000 tokens happens here. It's a comfortable, creative mess where the blueprint of Flufficorn comes to life.
2. **Tasty Cake: Tokenomics:** Imagine a delectable cake, ready to be sliced and distributed. Our tasty tokenomics is just like that. 75% goes to RocketSwap, ready to make a splash in the liquidity pool. 20% is securely locked away with a promise of future DAO governance. The remaining 5% is for the team, ensuring we can continue conjuring magic for you.
3. **Circus Tent: DAO Creation:** We're popping up a grand circus tent where the DAO is going to be formed. It's an extravaganza where only those holding

Flufficorn tokens can enter. This is the community-led governance show, folks! Bring your tokens and join the excitement!

4. **Game Controller: Entertainment Module:** Time to turn the fun knob up to eleven! Flufficorn is entering the world of games. Our tokens will serve as chips in an array of thrilling casino games. Roulette first, and more to follow, in this Flufficorn gaming saga.
5. **Locked Safe: Governance Handover:** We're a responsible team. As we entrust the DAO with governance, we're ensuring the locked 20% tokens are safely guarded. The DAO will be handed over the keys to this safe, signifying their new reign of responsibility.
6. **Submarine: Innovation Lab:** We're not just a meme token, we're explorers charting the deep seas of tokenomics. Aboard our innovation submarine, we'll probe the depths of absurd tokenomics, like randomized trading windows. It's experimentation with a dash of insanity!
7. **Rainbow Bridge: Cross-Chain Functionality:** Imagine a glittering rainbow bridge connecting worlds. That's our vision for cross-chain functionality. This will enable Flufficorn to be traded across multiple blockchain platforms, increasing our reach and flexibility.
8. **Hot Air Balloon: Community Engagement:** We'll be taking our community engagement to new heights, literally! From airdrops to contests, to hilarious meme creations, we'll ensure that the community surrounding Flufficorn is always buzzing with activity.

Remember, this roadmap isn't a rigid plan. It's more like a treasure map, taking us on a rollicking journey in the world of Flufficorn. Buckle up and enjoy the ride!
